

2014 Greenline 40 Hybrid

Price:

\$272,480 1,000,000 AED * *at the time of printing*

Location

Dubai , United Arab Emirates

Builder:

GREENLINE

Year Built

2014

Length

39.3 (Feet)

Description

- August 2025: Full exterior refit done on the boat with a full repaint, new shafts, new deck polish, antifouling
 - Six Fotovoltaic solar panels
 - Auto Pilot with remote control steering
 - Back container Bench
 - Enhanced engine room ventilation for the Gulf climate & regulations
 - Victron inverter with colour touch Screen
 - New Bluetooth Fusion Stereo sound system with touch screen
 - New Windlass
 - All batteries new 2024
 - Two new fridges 2024
 - All Portholes replaced in 2024
 - The starboard engine is almost entirely new
- was replaced it in 2023. As the owner said “Volvo Penta could not fix it, so I replaced it. Portside engine never had problems. The captain and I maintain it impeccably.”

The yacht is in very good condition, strongly advised for a viewing.

Hybrid version allows you to anchor overnight in silence and also save money. Very smart boating. Please contact us for a viewing and a sea-trial.
